INSTALLATION VIDEO

Help us improve

INSTALLATION INSTRUCTIONS

- ▶ Insert all of the plastic brushes into the corners of the flange from the underside of the frame.
- ▶ Screw the levelling bolts into the brushes from the top side.
- ▶ Using a spirit level or a straight edge on top of the frame, wind down the bolts to achieve the correct level to match the ground/ road surface.
- ▶ Apply the bedding mortar to the manufacturers' requirements.

- ▶ Wrekin Products Ltd is continually seeking to improve our products and therefore reserves the right to alter product specifications without prior notice.
