NOTES

Extremely handy, Wrekin's multi key can be used to lift the cover from a wide variety of highway ironwork. An essential in every toolbox and on every van dashboard, this tool has can engage and lift covers from class A15 to D400, which equals to 98% of all manhole covers found in the road.

To ensure covers do not dislodge and potentially fall from the key when lifted, Wrekin's multi cover lifting keys are designed to fully engage with the patented safety keyway on all Wrekin D400 manhole covers. Manufactured to satisfy BS 7903 requirements.
