Length

171mm

NOTES

Supplied as a pair, heavy duty handles enable the operator to safely lift covers by hand or with lifting straps. To ensure covers do not dislodge and potentially fall from the key when lifted, Wrekin's heavy duty lifting keys are designed to fully engage with the patented safety keyway on all Wrekin D400 and E600 manhole covers.

These have been manufactured to satisfy BS 7903 requirements and fit many of Wrekin's B125, C250 manhole covers and gully grates, as well as D400 covers from other manufacturers.

1. Wrekin Products Ltd is continually seeking to improve our products and therefore reserves the right to alter product specifications without prior notice.
2. It is the responsibility of all users to satisfy themselves the above data is current.
3. Installation details are available on request.
4. All Wrekin products are supplied subject to our [Terms and Conditions of Sale](#)
