

## DMT0D4/9060/KH

Highway D400 manhole cover 900mm x 600mm clear opening with 100mm frame depth

| CHARACTERISTIC     | VALUE  |
|--------------------|--|
| Range              | Highway  |
| Clear opening (mm) | 900 x 600  |
| Overall frame (mm) | 1,115 x 815  |
| Frame depth (mm)   | 100  |
| Options            | <ul> <li>Screw locking</li> <li>Standard badging</li> <li>Flood and odour control plate</li> <li>Safety grille</li> <li>ID and comms badging</li> <li>Pressure relief holes</li> </ul> |

## **SPECIFICATION**

#### **GENERAL INFORMATION**

| Stock code       | DMTOD4/9060/KH |
|------------------|----------------|
| Primary material | Ductile iron   |
| Range            | Highway        |
| Category         | Manhole cover  |
| Flanges          | 4              |

### STANDARDS, CLASSES AND GROUPINGS

| Standards             | BS EN 124-2   |
|-----------------------|---------------|
|                       | DMRB          |
|                       | MCHW          |
|                       | CD 534 v0.1.0 |
| BS EN 124 Class       | D400          |
| BS EN 124 Group       | 4             |
| Third party certified | Kitemark      |
|                       |               |

### DIMENSIONS

| Frame shape           | Rectangular       |
|-----------------------|-------------------|
| Manhole shape         | Rectangular       |
| Overall frame (A x B) | 1,115 mm x 815 mm |
| Clear opening (C x D) | 900 mm x 600 mm   |
| Frame depth (E)       | 100mm             |
| Base opening (F x G)  | 925 mm x 625 mm   |
|                       |                   |

### **EPD DATA**

EMS 75803

# FEATURES

- The enlarged frame corners help to dissipate loads onto the foundation, providing a longer service life and increased reliability.
- A retrofittable ID badge can be fitted, also compatible with antennas and communication options (RFID, NFC, IoT)
- Safety keyway prevents accidental disengagement of the lifting key during the handling process.
- 70+ PSRV tested at top surface of chequer by UKAS accredited 3rd party.
- Meets the requirements of CD 534 v0.1.0 (formerly HA 104/09).
- Frame gussets are supports which reinforce the corners where the frame sections meet, distributing stress evenly, preventing damage to the frame or the access cover.

# **AVAILABLE OPTIONS**

#### Screw locking

Screw locking deters unauthorised access to the chamber. An extended shank socket set is required to engage the locking screw.

#### Industry standard badging

Integral industry-standard badging e.g. SW (Storm Water) and FW (Foul Water). Details are taken at point of order.

### Flood and odour control plate

The flood and odour control plate is manufactured from steel and provides resistance to flood-water ingress and the chamber-odour egress.

- The high seating position ensures that forces are transmitted more directly downwards, meaning conversion of traffic loads into mortar-compatible compression forces.
- Indexed corners ensure correct orientation first time, every time.
- Keyway lifting points are provided on the frame for safe handling.
- Holes in the frame flange where mortar can pass between the underside and top side, creating an interlock, providing greater strength.
- Surface texturing above and below the flange enables better mortar engagement, reducing any lateral movement which could result in cracking.
- Non rocking 3-point suspension design, for silent operation.

### <sub>></sub> Safety grille

Safety grilles prevent accidental chamber falls. Available in a variety of configurations; including bars and mesh as drop-in or hinged.

 ID badging and communications options
 Bespoke badging and communications antennae, including NFC, RFID and IoT technology.

### Pressure relief holes

Pressure relief holes provide additional airflow, with sizes permitted up to the maximum allowances specified in BS EN 124.

# ACCESSORIES

| STOCK CODE         | DESCRIPTION  |
|--------------------|--|
| PC/UNIFORM/151076  | Uniform chamber adjustment unit 760mm x 100mm x 15mm           |
| PC/UNIFORM/251076  | Uniform chamber adjustment unit 760mm x 100mm x 25mm           |
| PC/UNIWEDGE/755012 | Uniform support wedge 120mm x 50mm x 75mm                      |
| YPCR/U12.5         | 12.5Kg Unipak <sup>®</sup> rapid curing polyester resin mortar |
| YPCR/U25           | 25Kg Unipak <sup>®</sup> rapid curing polyester resin mortar   |

| STOCK CODE  | DESCRIPTION  |
|-------------|--|
| GRITBLOCKER | Anti-blockage keyway insert  |
| SCREWLIFT   | Simple and rapid manhole frame levelling system. Simply push the bushes into the holes in the flange and adjust the levelling screws to the required height. |
| KEY/LONG    | Large cover lifting keys with a long handle (sold as a pair)   |
| KEYS/L      | Small cover combined lifting key   |
